

# TOWING ENFORCED

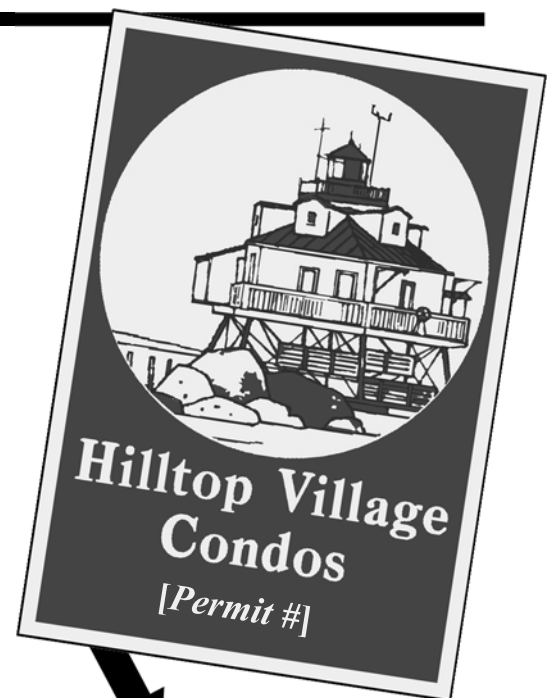

**Beginning May 20, 2015 @ The Hilltop Village Community, all parking within the community will be by PERMIT ONLY.**

**Any vehicles parking without a valid permit will be subject to towing at the owners' expense. Residents and/or guests who do not have a decal displayed must park on Merryman Road.**

**The following item(s) will also put your vehicle at risk for being towed:**

- If your parking decal is not PROPERLY and CLEARLY displayed in the front windshield of your car with the parking permit number visible from the front of the vehicle.
- If the decal and the permit number cannot be seen when standing in front of and facing the vehicle,
- Vehicles which are parked in another resident's marked space(s) and/or not parking within the lines (i.e. double-parking).

*Decal which was distributed (2 per home) to every resident within the community.*
